Each year, the *Bluebook* staff dedicates the yearbook to the member of the faculty whom we feel is most deserving. We take great pleasure in dedicating the 1967 *Bluebook* to ...

Mr. Charles Miller

Mr. Miller exemplifies all of those inborn qualities which are characteristic of outstanding teachers: he is patient; he is dedicated to his profession; he is a friend to his students as well as a teacher. In addition to possessing all of the traits which are so essential for teaching, Mr. Miller has been the advisor to the *Bluebook* staff for the past three years. The task of supervising the creation of a yearbook is one which requires creativity, good judgment, and a considerable amount of effort and hard work. Mr. Miller has demonstrated all of these attributes while serving as the *Bluebook* advisor. But Mr. Miller is much more than a dedicated teacher and an able advisor: he has been a friend to all of the students who have had the good fortune to become acquainted with him. All of us on the staff know that Mr. Miller displays a rare quality, genuine concern for today's youth. His warmth and friendliness are indelible features of his radiant personality. We of the *Bluebook* staff are proud to dedicate the 1967 yearbook to a person who has contributed so immeasurably to the fondest memories of our high school life.

Sal - I didn't get to  
see to much of you  
this year. Maybe next  
year if we're in a  
class together the teacher  
won't separate the boys  
from the girls. With  
our last names we  
should be sitting to-  
gether! Don't forget  
Schaefer or Mr. B!!  
(ugh!!)

PRINCIPAL:  
Weston L. Dean

## Principal's Message:

Your days in high school have been marked by a great social upheaval in our country and in the world. We have heard a great deal about raising the standard of living but what of our standard of moral values?

There is a need, obvious to everyone, for a generation that will do right because it is right and not because they might get caught. Do you have the moral courage to be that generation?

Kenwood's challenge to you is to consider how you can contribute more to the solution than to the creation of social problems.

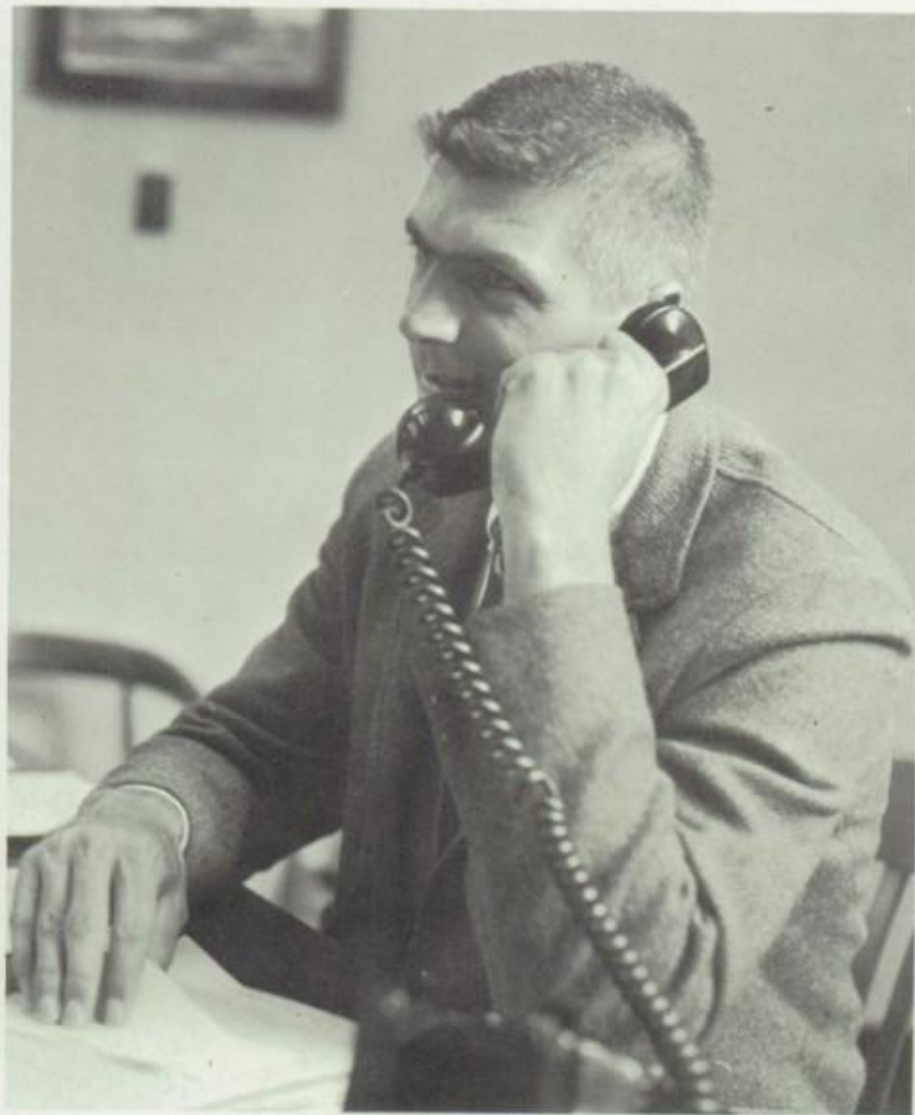

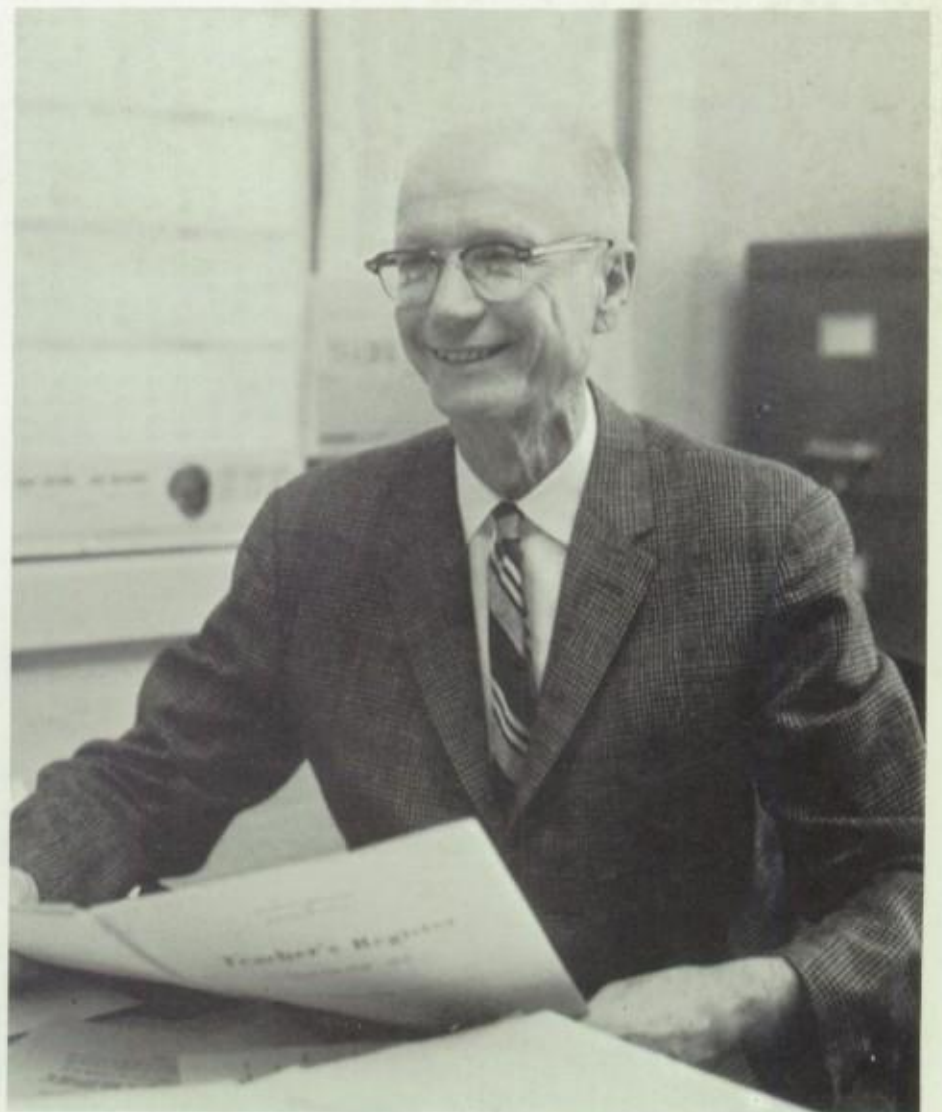

# TRATION

Supervising over 2300 students and 110 faculty members required the coordinated effort of all of Kenwood's administrators.

## SENIOR FAVORITES

The senior class each school year votes for its class favorites. These students are elected as a result of the recognition of their ability and accomplishment in some category. The senior favorites who appear on the next few pages are those students who are representative of the best qualities of the class of '67 in six major areas. The first of these categories is one which is frequently unrewarded, but which is nevertheless a very essential part of any well rounded student: the pursuit of academic excellence. The graduating seniors in the second category are those class members who have demonstrated outstanding ability and talent in some field of the arts. The smiling faces and affable manners of the friendliest seniors served to remind all of us that friendliness is a virtue which is an integral feature of any popular person. The seniors in the fourth category are being honored for their athletic skill and prowess, a characteristic which develops sportsmanship as well as physical strength and co-ordination. In the fifth category are those members of the class of '67 who have shown that their success in life after graduation is inevitable. The final category, rounding out the list of senior favorites, includes the two seniors who possess all of the traits which result in a person of varied abilities. The Senior Favorites of the class of 1967 ... a continuation of an old KHS tradition.

This year's Student Council was the biggest yet. For the first time, each homeroom had a representative, so that the size of the Council was tripled.

The Executive Committee met everyday to discuss new business for the weekly meeting.

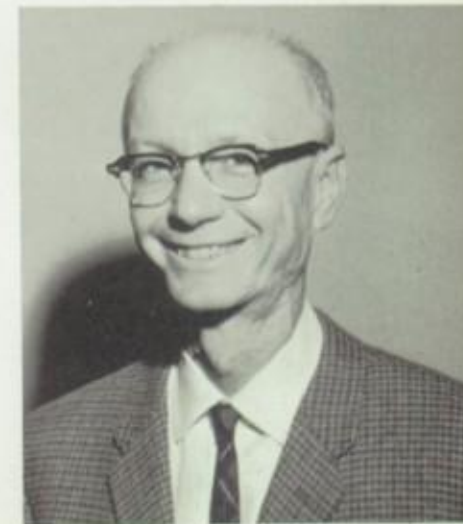

Michael Filucci presided while homeroom representatives got ready to report their homeroom's ideas and suggestions.

Everyone enjoyed dancing to the music of the Satins during the Council's annual Christmas Dance.

The aim of this year's council was to create better student-teacher relations. Some of the projects were the food and clothing drive, the activity and Christmas dance, the talent show, and the continuing support of our Korean foster child, Van. The increased size of the council brought on more responsibilities and higher goals for the representatives to work for during the 1966-'67 school year.

## SNOW QUEEN

The second annual Student Council Christmas Dance with the Snow Queen and her court was held on December 23, 1966. Music was provided by "The Satins", a local band.

The highlight of this annual event was the presentation of the court and Snow Queen for the 1966-1967 school year. While the Student Council President acted as master of ceremonies, the members of the court were presented. Linda Stiegler and Debbie Goldberg were the sophomore members of the Snow Court with Ellen Baker and Kandi del Casal as the junior members. Senior runners-up were Denise Dawson and Donna Sassard. After all the members of the Snow Court had been introduced, the Snow Queen was escorted to the throne. Our queen was the lovely Connie Gentile, whose combination of a vibrant personality and beauty made her the choice of the Kenwood student body.

A solemn queen was surrounded by her court consisting of Debbie Goldberg, Ellen Baker, Denise Dawson, Connie Gentile, Snow Queen, Donna Sassard, Kandi del Casal, and Linda Stiegler.

Before the presentation of the queen and her court, students danced to the music of "The Satins."

# CHEERING K's

The most exuberant club at Kenwood, the Cheering K's, promoted interest in school activities throughout the year. The members of this club widely publicized the debut of the first football team. All athletic events received moral support from the cheering members. They encouraged support for various candidates during the mock election held in the fall. Among their other activities were the pep rally and Color Day. The K's greatly contributed to the growth of school spirit at Kenwood.

## HONOR SOCIETY

The Kenwood Chapter of the National Honor Society consisted of those students who displayed outstanding scholastic achievement and demonstrated the qualities of service, leadership, and character. No other honor offered by Kenwood exceeded that of being a member of this society. Membership was by invitation only and installations were held in December and May.

During the year members offered their time and services in order to tutor students who asked for assistance. The Honor Society sponsored several assemblies and prepared showcases in the school. As stated in the charter, the Honor Society succeeded in encouraging the development of character in the students of Kenwood.

# CLEMENCIA MONTANA

Clemencia, our foreign exchange student from Bogota, Columbia, anxiously awaits the start of another day at Kenwood.

If the purpose of the American Field Service is to bring understanding and friendship between the different countries, they really are doing something wonderful.

Baltimore had become a second home for me and I learned to respect and admire the American people.

No matter where I had gone, I had found so much courtesy, friendship, and interest that I have the feeling of being one of you.

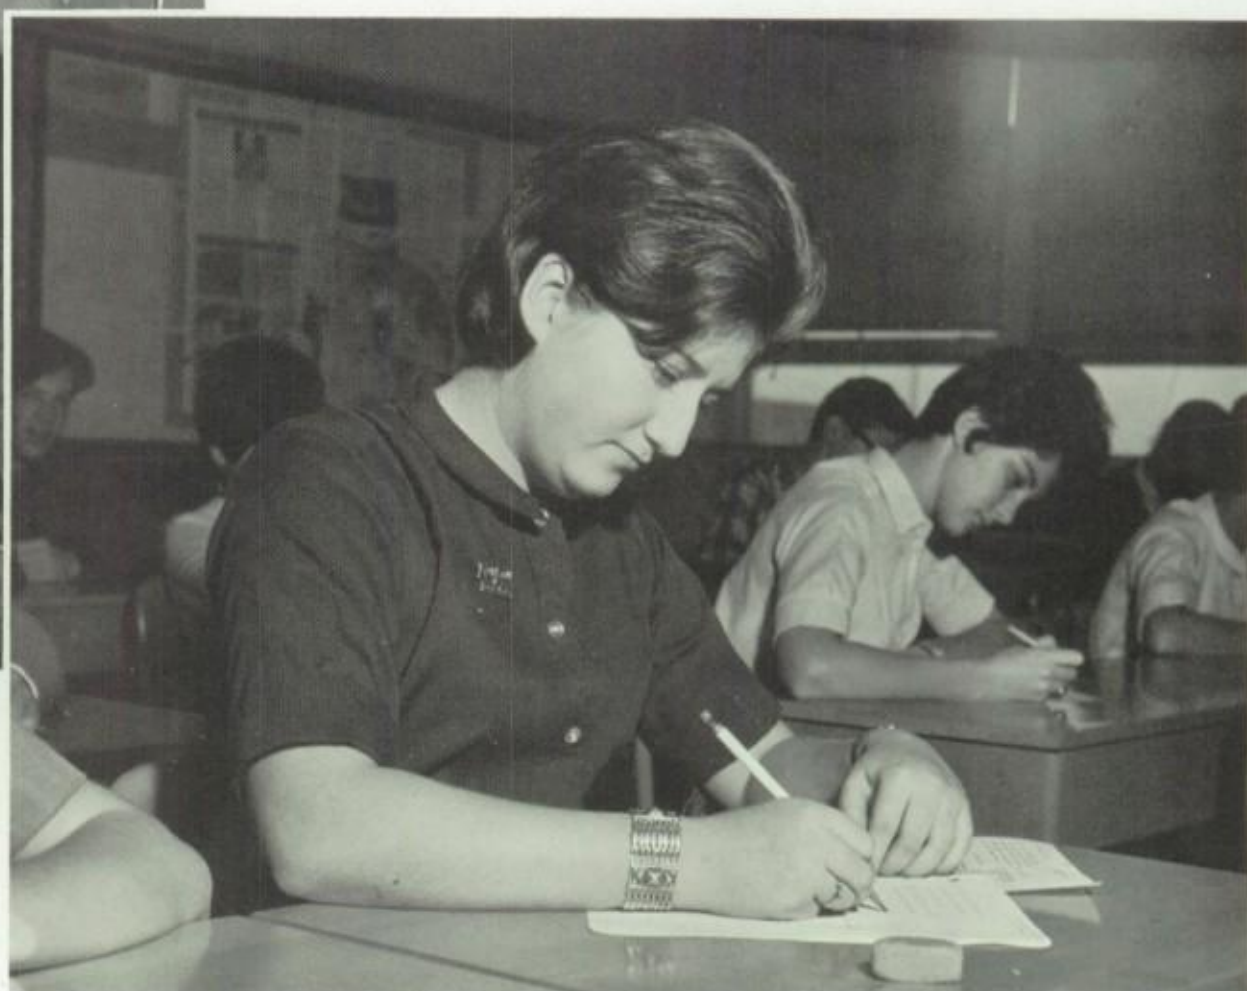

I would like to thank all of you who have helped me during this year; it has been a wonderful experience for me, and I will look back on it with a great deal of pleasure.

Not least in my mind are the faculty and the American Field Service Committee to whom I would like to express my sincerest appreciation.

I think it would be better if I try to say it in Spanish: Nunca podré agradecerles debidamente todo cuanto hicieron por mi; pero pueden estar seguros que nunca olvidaré este maravilloso país.

Sinceramente,

Clemencia

Although it was difficult at first to translate her thoughts into English, Clemencia was soon having no difficulty in her classes.

## AMERICAN FIELD SERVICE

The chief responsibility of our Student American Field Service Committee was to make Clemencia Montana feel at home during her stay at Kenwood this year. We worked with the adult committee in preparing and giving a party for the Junior American Field Service semi-finalists in October. The sale of Christmas cards was a fund-raising project in which we also participated.

Our group consisted of the Junior and Senior semi-finalists who applied for the coveted trip to a foreign country as our good will ambassador.

Clemencia related her native customs and traditions to other members of the committee.

Linda Blackburn, Laura Sweringen, and Dorothy Fritz chose pictures for the Faculty Section.

Scheduling photography dates for the Senior Section were Jerry Hopple, Angela Cambowris, and Shannon Earle.

Patti Gaudet and Janet Simmons were busy identifying pictures for the Junior Section.

Gathering ideas for the Activity Section were Sandy Wise and Joyce Smith.

From September until their last deadline, the Bluebook staff was everywhere, seeing and capturing Kenwood students in every facet of their school life. Photographs had to be situated on new layouts, cropped to the exact size, identified, stamped and mailed to the publisher before the final page was produced. Throughout the entire process, Shannon Earle was there to coordinate each member's work into a lasting memory of the '67 Kenwood *Bluebook*.

Lenora McDonald, Donna Sassard, and Cherie Holden selected action shots for the Sports Section.

Typing out the final copy for the Sophomore Section were Mike McCarty and Ruth Yeager.

# SPOTLIGHT

The year, 1967, marked the thirtieth anniversary of the *Spotlight* covering the pulse beat of Kenwood. Reporters on the staff had regular beats in order to cover the broad spectrum of activities at school. Pe-

riodic calendars of events were printed for up-to-date information on club activities. Also, scholastic honors and articles of interest were published in the school newspaper.

An Ancient Greek who spent a lifetime searching for the truth has a counterpart in Kenwood, the Diogenes Society. During the year the members of this society, advised by Mr. Paskoff and Mr. Maurey, held meetings twice a month. The members frequently engaged in informal discussions with topics ranging from morality, to the voting age, to the war in Viet Nam. In addition to these discussions there were special guest speakers. Altogether, it was a successful year for the Diogenes Society and its never ending search for the truth.

Before meetings were held, a special committee prepared a bibliography concerning the topic to be discussed.

The Diogenes Society challenged the members to think in depth on some of the more serious problems of our time.

## SAFETY CLUB

Formed for the purpose of promoting safety in the home, school, and community, the leaders chose projects involving as many students as possible.

Some of the projects were: a car inspection, a toy drive for needy children, safety assemblies, area hazard surveys, and the Teen-age Safe Driving Road-e-o.

The Safety Club has served on many safety committees and has won many awards, the most recent being the National Student Traffic Safety Award from the National Commission on Safety Education for meritorious activities to improve school and community safety. This was the second consecutive year Kenwood has won this award.

SEATED: V. Brundage; J. Simmons; P. Gaudet; J. Smith. STANDING: Mr. Parker, advisor; H. Gaither; B. Hoch; T. Hodges.

The members, having learned ways to prevent accidents, encouraged others to be more cautious.

## KENWOOD AUTO MECHANICS

The objectives of the Kenwood Auto Mechanics Club were to expand the members knowledge of the operation and maintenance of the automobile. It organized activities such as the annual student car inspection, seminars, and clinics conducted by the members. Members were expected to give assistance to disabled motorists as a courtesy. Guest speakers made the meetings informative and enjoyable.

Mr. Robert Rigger, the advisor of the club, donated his time so that the members gained a better understanding of auto mechanics.

FIRST ROW: C. LeBrun; D. Hinkle; B. Cook; D. Collins; L. Kersey; R. Bowder. SECOND ROW: S. Weaver; L. Comeau; T. Hargis; A. Zielinski; D. Eaves; D. Rafferty; H. Bowers.

# MODERN DANCE

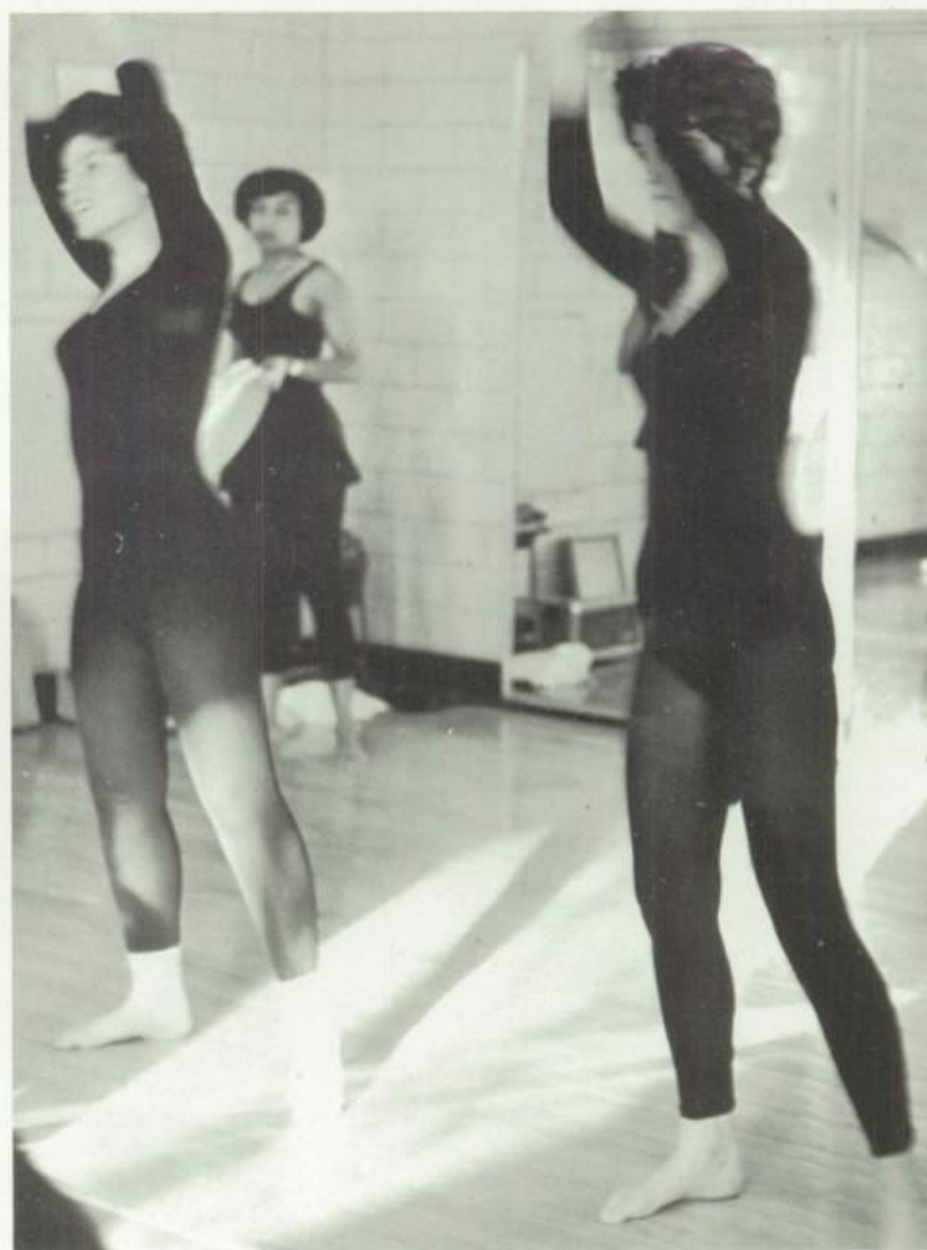

Every day after school the girls met to practice new dance routines and find expression in movements.

The Modern Dance Club was formed to introduce girls to new forms of dancing and to develop poise and grace. Under the direction of Mrs. Martin, the girls met every day after school to practice routines and enjoy themselves in a different type of expression and movement.

The girls found expression in everything they did.

The girls found new feelings in freedom.

# SPANISH CLUB

FIRST ROW: C. Reavis; R. Blocknia; B. Bumble; A. McCoy; J. Majka; T. Clark; C. Edwards; R. Browning. SECOND ROW: D. Middleton; B. Sofinowski; J. Freeburger; F. Hammond; B. Harness. THIRD ROW: S. President:  
RICK SMITH

Under the direction of Miss Studebaker and Mrs. Hunovice, a new Spanish Club was formed at Kenwood. The purpose was for interested students to meet and learn Spanish customs and the culture of Spain. The group went to Towson Sr. High to see several plays produced by a group of amateur Peruvian actors. The club also provided a tutoring service for Spanish students seeking their aid.

Vice-President:  
EDITH CREEF

Secretary:  
JANET SIMMONS

Advisor:  
MRS. HUNOVICE

Treasurer:  
JANICE HARVEY

# STAGE CREW

# PROJECTION SQUAD

Advisor:  
MR. DONAT

The Projection Squad took charge of audio visual aides, worked with lighting during assemblies, and helped take care of needed equipment for teachers.

Left to Right: V. Wilson, W. Clark, M. Alder, S. Reed, W. Gregory.

# MATH CLUB

Advisor:  
MISS LESTER

The newly formed Math Club, under the direction of Miss Lester and Mr. Berry, met with a common interest in math.

FIRST ROW: R. Dehne; T. Meerholz; F. Jacobs; F. Kidd. SECOND ROW: D. Earle; W. Lane; C. Scherback; D. Ogdon; S. Tyner; K. Benjes; C. Anderson. THIRD ROW: J. Freeburger; R. Browning; M. Routzhan; R. Kell; K. Dancey; L. McDonald.

Nurses' Aides offered their assistance in the Health Suite.

Students in the Art Department made posters for the school.

Aides shelved books returned to the library

Magazines and films were bound and indexed by the Library Aides.

Library Aides helped to check out books.

Newspaper were changed daily by aides.

In the Guidance Department papers were filed and catalogued.

## STUDENT AIDES

The smooth operation of Kenwood High School would not have been possible without the Student Aides. Many of these volunteers sacrificed their time before school, after school, and during study periods in order to do minor tasks. They were a vital part of every department in the school.

Overdue notices for library books were written.

Towels were stacked and distributed for showers.

To the one I love,

This has been my greatest year in finding you. I never knew what I was missing. We have been going steady since October 23, it has been just the beginning of what is coming. The Future holds so much for us that I can't wait to hear the wedding bells and this is to verify it. The ring you gave me means so much <sup>to</sup> me, I wear it always. I think you found out that I wasn't kidding when I said a poor boy from Dundalk. We met at the Civic Center Oct 16, at the Mannas & the Papas. When we met I found something I have been waiting for. When you kiss me I was born, while you love me I live, and when you leave me I'll die.

Best of luck  
in the coming  
years to the  
girl behind me  
in French!  
Love ya

ARTHUR G. MORTON

In September of the year 1959, Kenwood gained from Sollers Point Senior High School one of the most dedicated teachers of our time—Arthur G. Morton. He received the Bachelor of Science degree at West Chester State College and a Master in Education at Loyola College. At Kenwood he taught algebra, applied math, trigonometry, geometry, and review of academic math. Mr. Morton's devotion and concern for his students was shown by his financial assistance to those who needed aid in order to further their education. Kenwood was fortunate to have had such a teacher as a member of its faculty.

Memorial Day, 1967, Kenwood and humanity lost a great man; but we shall remember him for his unselfishness, kindness, and his challenge to us all in his words, "Kenwood is worth your best effort, nothing less."

# OUTSTANDING STUDENTS

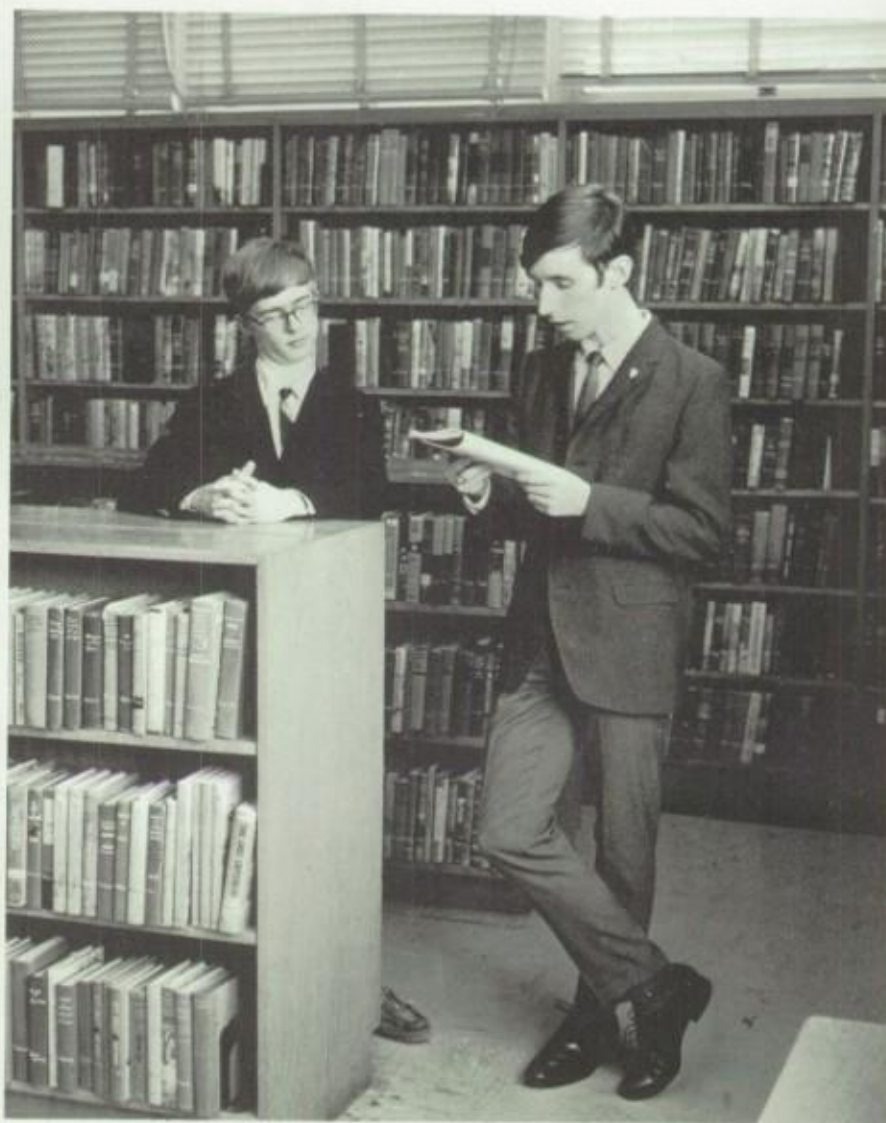

Barbara Jenkins, William Urquhart, and Alma Lynch had practice using the slide rule before applying to the University of Maryland. All were invited to participate in the Mathematics Honors Program at the university. Barbara was also asked to take part in the General Honors Program. Alma was a finalist in the National Merit Negro Scholarship Program.

Magenta and azure were the colors selected by Shannon Earle and Angela Cambowris. Both girls designed, constructed, and painted the sets for "Oliver!"; designed and hung the two exhibits in Gallery 67". This outstanding classwork led to their employment by a professional advertising agency.

Kenwood was the leader in the safe-driving field thanks to Linda Barth. Posting a new record of 340 points out of 350 points at the local road-e-o Linda went on to win second place in the state competition.

William Haller III and Gerald Hopple pondered for a moment about their awards from the Maryland Scholastic Press Association. William received a second place in the statewide contest in short story writing, while Gerald was awarded second place in essay writing.

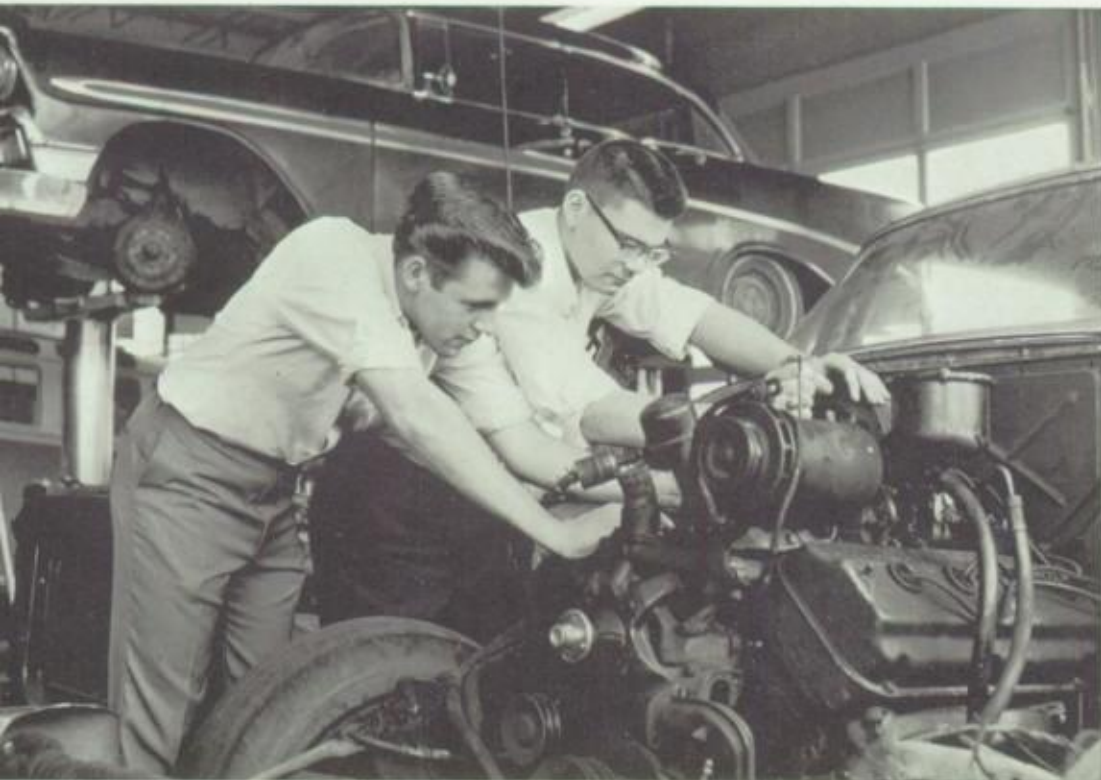

Linda Blackburn prepared to demonstrate one of her many talents which led to her being named Kenwood's 1967 Betty Crocker Homemaker of Tomorrow.

Rose Sullivan, seated, showed her Gregg award to Ruthann Ford, Vickie Leach, and Carol Filsinger. All four girls won certificates for writing shorthand at 140 words per minute for three minutes and transcribing it with 95% accuracy. The contest was sponsored by the Gregg Division of the McCraw-Hill Publishing Company.

Locating and repairing the problems of a motor in the quickest time led to Charles Byard and Lloyd Morley being selected to represent Kenwood at the Maryland Contest sponsored by the National Plymouth Trouble Shooting Contest.

From assistant accompanist and member of the Concert Choir in the tenth grade, Carl Reavis became accompanist to the production of "Oliver!" and at all Concert Choir events. Carl also composed and had his works performed by the Kenwood Concert Choir.

Byron Beam became the new district Mile Champion when he beat the Charles Messinger 4:54 record with a 4:23.9 at Overlea.

Rick Kell was the 1966 and 1967 State Champion for the half-mile run with a time of 1:55.1. He also was 1967 State Champion in the 600 yard run with 1:16.9.

# "EVERYBODY LOVES OPAL"

The Thursday night cast of Toby Haller, Bonnie Konski, Carl Reavis, and Allan Dempsey were shocked at the discovery of Mary Falkenhan's riches.

After thirteen years of directing the student play at Kenwood, Mr. Charles G. Skinner chose the three-act play "Everybody Loves Opal" by John Patrick for his last production. The play was presented on April 20 and 21 with a double cast.

Who would guess that helpful George and Allan were plotting to kill Angela.

While examining Angela for an insurance policy, Toby made a strange discovery.

Bonnie had been dropped on the floor by Carl, when Allan carried in an inert Mary and deposited her—almost dead.

The Friday night cast of Valerie Bowers, Toby Haller, George DiCicco, and Allan Dempsey watched as Angela Stasik drank to "all good men and bad ones too."

Sophomore class officers; Sandy McGuire, John Markowski, Jerry Wagner, and Carol Griffin cut the class cake ...

... and ate it ...

... and served a piece to advisors; Mrs. Benik, Mrs. Ryan, and Mrs. Sticha.

The Sophomore Party of the Class of '69 was marked with tent dressed, groups doing the "Modesty", and the soul sounds of the "Chevelles". This combination made the party the dance of the year for the sophomores.

# JUNIOR BALL

"Moonlight Cotillion" was the theme of the 1967 Junior Ball, which was held on May 6. Guests danced to the music of The Clubmen in the gym which was decorated in gold and navy blue. A showboat and fountain helped to carry out the theme. Punch and refreshments were served in the cafeteria.

# SENIOR DAY

KEN ZACHMANN, Principal

MIKE FILUCCI, Vice-Principal

PENNY ORAVETZ, Secretary

Senior teachers crowded in the faculty room to check papers, eat, and rest their aching feet.

Larry Cox, Connie Gentile, and Joanna Murtiff gained experience teaching classes

# SENIOR PROM

A giant canopy greeted the guests at the 1967 senior prom and led them upstairs where red and blue colors introduced them to La Fete Extraordinaire. The gym became a Mardi Gras festival with the music of the Feen Iula's Orchestra. Downstairs in the cafeteria Feen Iula's band played for the overflow crowd. Ending at midnight, everyone had many happy memories of the night of the 20th of May.

For the first time a canopy greeted the guests.

Guests wait to present their tickets.

Juniors presented guests with favors.

Vickie Brundage, Glenn Freeman, Penny Oravetz, Ken Zachmann, Miss Ball, Mr. Ball Mrs. Doub and Mr. Doub were in one of the two receiving lines.

Seniors switched their class rings as they danced through their golden class ring.

# FAREWELL TO KENWOOD

On the evening of June 1, seniors and their parents met in the auditorium to receive awards. Service pins, Silver K's Gold K's and 45 scholarships were awarded by area organizations. After the awards, a party was held in the cafeteria. On Friday, June 2, the last day for seniors, the parking lot was filled with gaily decorated cars. Seniors left early after picking up their caps and gowns.

At the Farewell Assembly all of the seniors met for the final time and sang the Alma Mater.

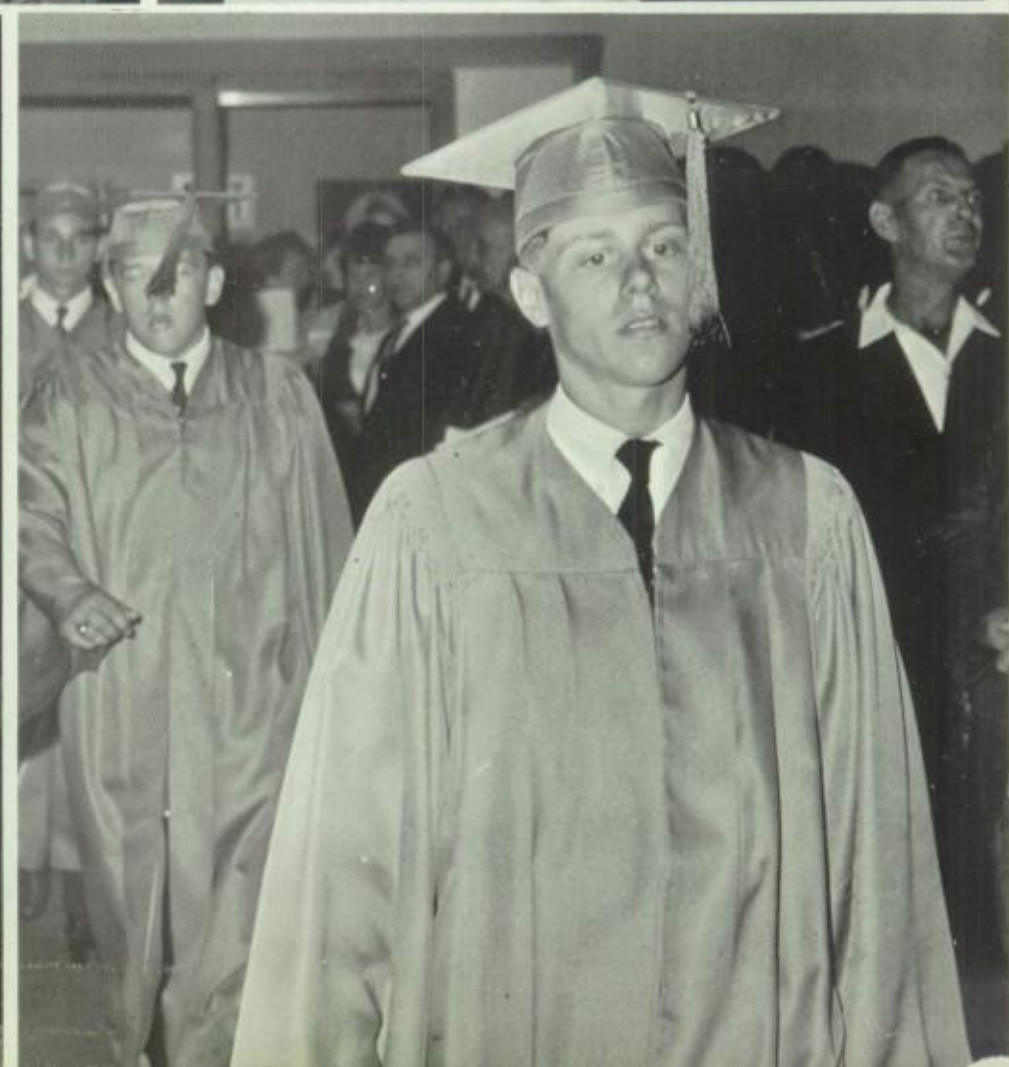

Clemencia Montana, the exchange student was presented a charm bracelet by the Senior class after sadly bidding farewell to all.

Most of the graduating class decorated their cars in the traditional blue and white on the last day.
